Information about your CIBC Aventura Gold Visa account

If you find an error or irregularity (including possible unauthorized or fraudulent Transactions) in this statement you must tell us within 30 days of this Statement Date. If you do not, we may regard this statement as final (except for credits posted in error).

How we charge interest: If interest is charged on a Purchase, it is charged retroactively from the Transaction date. You have a minimum 21 day interest-free grace period for new Purchases. You can avoid interest on those new Purchases by paying your new balance in full by the payment due date.

Interest is charged on Cash Advances from the date they are taken. Interest is charged on Convenience Cheques and Balance Transfers from the date they are posted to your credit card account. We stop charging interest on the day we receive a payment which covers the amount of the Purchase, Cash Advance, Balance Transfer or Convenience Cheque, as the case may be, as described in the Application of Payments section of your CIBC Cardholder Agreement.

If you choose to convert an eligible Purchase into an Installment Plan, interest will be charged on that Installment Plan at the interest rate you agreed to at the time of conversion and in the manner set out in the Installment Plan Terms and Conditions.

Payment period extensions: If you didn't pay the Amount Due on your last monthly statement, we have extended your payment due date this month to give you extra time to make your payment. Interest will continue to accrue for the extended period. When we receive your

Amount Due, your payment due date will change back to your regular payment due date.

Your statement (including the Balance and Minimum Payment) only reflects Transactions that were posted as of the Statement Date. If you made a payment but it has not yet been posted, it will appear on your next monthly statement and any interest charges will be adjusted based on the transaction date and payment amount. The payment due date is determined under Eastern Standard Time (EST) meaning payments are considered received by us on the payment due date if made by 11:59pm EST. Payments made by mail or through another financial institution can take several days to be received by us. Please make your payments accordingly. Check CIBC Online Banking for the status of your payments and your most up to date Balance.

**Foreign currency Transactions, except Convenience Cheques, are converted to Canadian dollars on or after the Transaction date and no later than the Transaction posting date. At the time of currency conversion, you are charged the same conversion rate CIBC must pay, plus a fee of 2.5% of the converted amount, on both debits and credits. We convert a foreign currency Convenience Cheque or payment at our branch selling rate for Canadian dollars in effect at the time we process it.

¹ **Amount Due** is the amount you must pay if you want to avoid interest on your regular purchases shown on this statement.

² **Minimum Payment** is the minimum amount you must pay this month and it includes your monthly installment payments due (if applicable).

Reminder: If you only make the minimum payment every month, it will take approximately 25 year(s) and 7 month(s) to pay the total balance shown on this statement. This estimate assumes each statement period is 30 days and that you pay your minimum payment on time every month.

Your message centre

We have recently reviewed your CIBC credit card account and our records indicate that 2 or more Required Payments were not received by their payment due dates or by the date we prepared your next statement within the last 12-month period. As a result, your annual interest rates will change from the rates shown in the "Interest Rates" section of this statement to 25.99% for Purchases and 27.99% for Cash Advances, Balance Transfers and Convenience Cheques.

These rates will take effect on the first day of the statement period following this Statement Date.* This change will not affect the interest rate of any active Installment Plans on your CIBC credit card account.

If we receive your Required Payment by the payment due date or by the date we prepare your statement for at least 12 consecutive months after the annual interest rate increase takes place, we will lower your annual interest rates to your annual interest rates for your credit card account set out in your Summary of Rates and Fees.**

To help you keep track of your upcoming payments we encourage you to enroll for our free minimum payment due alerts. This alert will notify you 5 calendar days before your credit card payment is due. To enroll, go to the Manage My Alerts section on CIBC Online or Mobile Banking. Also, visit www.cibc.com for tips and advice to prevent late payments and help get the best from your CIBC credit card.

Capitalized terms used in this message have the meanings given to them in your CIBC Cardholder Agreement.

* For example, if you receive this notice on your March statement, the change would go into effect on the first day of your April statement period.

** The annual interest rates for your credit card account can change from time to time.

Your Required Payment was not received by the time this statement was prepared. If you have not done so already, please make your payment today to ensure you have continued access to credit.

If you have a promotional Balance Transfer (BT) on your account, then after two consecutive missed Required Payments, you will lose the benefit of your promotional BT interest rate and any remaining balance(s) will then be subject to the regular Cash Advances interest rate applicable to your account. You can find your regular interest rates for Cash Advances in the "Interest Rates" section of this statement.

Information on upcoming changes to your Aventura® Rewards Program Terms and Conditions

Thank you for being a valued client and trusting us with your business. We want to let you know about changes to your Aventura Rewards Program (the "Program") that will take effect on October 28, 2025. We are updating the Aventura Rewards Program to provide a new way for you to redeem your Aventura Points. The update will allow you to redeem Aventura Points towards purchases at Specific Merchants. Changes to the Terms and Conditions are outlined in Appendix A.

There **is no change** to the number of Aventura Points you have earned including their value, the Aventura Points earn rates and bonus categories, the redemption options, your insurance and other benefits, and the interest rates, fees and credit limit on your Aventura card **will remain the same**.

Please note, you are receiving this message as a client of the Aventura Rewards Program even if your credit card account is closed, not in good standing or you are the estate representative, as these changes will apply to the Aventura Rewards Program as of October 28, 2025. You can only redeem Aventura Points when 1) your credit card account returns to good standing, 2) your closed credit card account is reinstated by CIBC, or 3) you are permitted by CIBC as the estate representative.

By continuing to use your credit card account after October 28, 2025 when the changes take effect, you are accepting these changes. You also have the option to cancel your credit card account without cost within 30 days of the changes taking effect by contacting us at 1 800 465-4653 in Canada and the US, or collect from elsewhere at 514 861-4653. You would be responsible for repaying all outstanding amounts on your credit card account on the date of cancellation. Capitalized terms used in this message have the meanings set out in the T&Cs unless otherwise defined.

We appreciate your business, and look forward to continuing to take care of your needs.

Appendix A – Changes to the Terms and Conditions:

The changes below are an amendment to your Aventura® Terms and Conditions that will take effect October 28, 2025.

1. The following new section is added after section 21 and all subsequent sections will be renumbered:

Redemptions at Specific Merchants

22. We may let you redeem Aventura Points towards purchases at Specific Merchants. When you redeem Aventura Points at a Specific Merchant, additional terms and conditions will apply. By redeeming Aventura Points associated with your Card towards purchase at Specific Merchants, you agree to the additional terms and conditions.

23. When you redeem Aventura Points for the full cost of a Lifestyle Reward with a Specific Merchant, no purchase transaction will post to your Credit Card Account and the features and benefits available to purchases posted to your Credit Card Account do not apply. We will not be able to assist you with a merchant dispute for a Lifestyle Reward paid in full by redeeming Aventura Points at Specific Merchants and you must deal directly with the Specific Merchant.

24. When you redeem Aventura Points for the partial cost of a Lifestyle Reward with a Specific Merchant, only the portion of the cost that is charged to your Credit Card Account will be treated as a purchase transaction as defined in the Credit Card Agreement.

25. We reserve the right to cancel or change the ability to redeem Aventura Points at Specific Merchants at any time, as we determine.

26. Aventura Points to dollars conversion ratio is determined by CIBC and can be changed at any time without notice, subject to applicable laws. If you don't have enough Aventura Points on your Aventura Account at the time they are redeemed with the Specific Merchant, you will be advised by the Specific Merchant.

Your message centre (continued)

27. Not all products available at the Specific Merchant may be eligible for purchase by redeeming Aventura Points and the eligible products may change from time to time.

28. It is your responsibility to know the relevant policies, terms and conditions of the Specific Merchant (or any third party using the Specific Merchant) when redeeming Aventura Points, including but not limited to shipping, cancellation and refund policies. If any of the Lifestyle Rewards obtained from a Specific Merchant are returned, subject to the Specific Merchant's return policy, you may receive the portion of the amount charged to your eligible Card first before any refund of your Aventura Points is made to your Aventura Account.

29. CIBC is not responsible if you allow someone other than yourself to access your Specific Merchant account and your Aventura Points are redeemed by someone other than you. It is your responsibility to safeguard your Specific Merchant account to ensure your Aventura Points are not available to be redeemed by someone other than you.

30. CIBC is not liable or responsible for the Lifestyle Rewards offered by or made available or purchased through a Specific Merchant or for any loss or damage caused by the Lifestyle Rewards that you received or requested from the Specific Merchants.

Personal Information Shared with Specific Merchants

31. You agree that CIBC may share with Specific Merchants certain information that you have provided or will provide to CIBC and/or information regarding your Aventura Points balance, in each case for the limited purposes of validating your eligibility to participate in a Specific Merchant's program and processing any purchases you choose to make by redeeming your Aventura Points. Neither the Specific Merchant nor CIBC will use information provided to it by the other party in support of the Specific Merchant's program for any purpose other than as expressly set forth in this paragraph. CIBC's privacy policy, available at www.cibc.com/privacy, tells you how and why we handle your personal information, and your privacy rights and choices. How the Specific Merchant handles your information is described in its privacy policy. If you do not agree with the sharing of your information between Specific Merchants and CIBC for the purpose of redeeming Aventura Points with the Specific Merchant, see the Specific Merchants terms and conditions to unenroll from such program.
